ORCHIDS 101
Linda Castleton & Diana Vavrek

Orchids 101 is a talk without overly technical it is designed to make any grower better. It covers everything you need to know to grow bigger, better flowers. It encourages audience participation with a give and take high energy discussion. It is fun and everyone learns.

Diana Vavrek has been growing orchids for over 30 years. She had the extraordinary privilege to work part-time for a number of years for Maryann and Alan Michel, ACS judges and growers. Diana has also had the opportunity to know and learn from growers/judges Frank Forby (California) and Ridge Danko (Scotland). She has reported thousands of orchids and still learns from other orchid growers and each plant!

The plant table will have orchids from Newman’s Nursery Inc., Hawaii

The board will meet after the General Meeting. All DVOS members are welcome to attend.
