President's Message

Orchid Friends:

As I look back it seems like yesterday that we were planning for our show. I must say that with the help of our members, it was a very successful event. Everyone took ownership of the show. I hope that all our new members will be participating in our society and will enjoy growing orchids.

Winter is here so everyone should prepare for cold weather. Luckily we are not as freezing as east coast, but we still need to prepare for cold temperature. I have already turned on my gas heater to make sure it's running OK.

My term as the president is coming to a close. I look forward to next year with the new officers and board members.

With everyone taking ownership of the society I'm sure we will have a great 2017... with even more orchids!

Sung

Deborah Atwood Presenting Orchid 101: A Refresher Course for Everyone

We are very fortunate to have Deborah Atwood talk to us about how to get your new orchid to bloom again. Deborah followed her heart to pursue her passion for orchids and began her career as an "orchid farmer" after 30 years in the [hospitality industry](#).

She is very successful growing orchids that are winning awards.

Plant Table will be provided by Deborah Atwood

Speaker's Dinner before the meeting is at 5:30 pm at China Lounge (Sichuan Fortune House), 41 Woodsworth Lane, Pleasant Hill. Everyone is welcome to attend and meet our speaker. Please notify Eileen Jackson eileen.jackson@att.net for a reservation

(The above information was taken directly from our website: www.dvos.org)

The next two pages are pictures from our Orchid Show.

We had an Orchids 101 seminar going outside, repotting going on inside and lots of orchids to admire.

The ribbons were beautiful and added a festive touch to the whole show.
