

Hello Everyone!

Meeting Reminder:

The next DVOS Meeting will be on the 2nd Thursday of October, 10/13. There will be no speaker. There will be a Show & Tell, and we will discuss How To Prepare Your Plants For The Show.

Bring your orchids to the meeting on Thursday if you need us to bring to the show for you (no charge).

The meeting location will be at the Contra Costa Water District Board Room, 1331 Concord Avenue, Concord, CA at 7:30 p.m.

There will be no speaker's dinner this month.

For the Show:

I need your help.

We are going to place A-Frames for the show on the streets. Since I do not know the Concord area well, I need your input about good intersections for placement of the A-Frames.

We are going to pull permits for these A-Frames (4 to 5 signs) and will be placing them on the streets on Monday, October 10 – Saturday, October 15. I need your input as to where would be the best locations for placement.

Oh, one more thing. Those of you who are members of Nextdoor online at www.nextdoor.com -- Below is a template for you to use as an event listing on the website. You can copy into the event description section.

There are two ways you can post in Nextdoor--as a Message and as an Event. Attached is a photo to upload to the event file.
