How's that working out for you? A Cultural Round Robin with DVOS Experts

Our January meeting will be a round table discussion with some of DVOS' top growers. Kathy Barrett, Renate Johnson, Ken Cook and Eileen Jackson will answer questions and give advice on what works and what doesn't work when growing orchids in our area. This will be a how-to and what-not-to-do to keep your orchids alive and rebloom them, whether you grow in a greenhouse, on a window sill, or in the back seat of your car. They will discuss growing in the micro climates of the East Bay. What works for Ken in his frigid Nordic neighborhood will be different from what works in Eileen's back yard or Kathy's green house. Come and find out how to protect your orchid investment and make those plants perform.

Plant table will be provided by Mary Nisbet and Kathy Barrett

A TWO-FER PLANT TABLE

*Our January raffle table will be a special opportunity. There will be a full plant table from California Orchids. **AND** Kathy Barrett will be providing orchids from her collection. Win a raffle draw and you get to pick a plant from **EACH** grower (2 for 1).*

This is a raffle table you won't want to miss!

There will not be a Speaker's Dinner in January.
