Next Meeting is on Thursday, November 13th, 7:30 pm - 10:00 pm

Contra Costa Water District Building Board Room
1331 Concord Ave. Concord, CA

Carol Klonowski will speak on "Dendrobium for Maximum Flowering":

Carol will discuss the Dendrobiums most commonly found in hobbyist collections and their care heading into winter.

She will cover most of the selections of this large and diverse genus, including tips once the flowers have bloomed. Hopefully, we will learn enough that the spring flowering season will be sensational.

Carol is a fabulous speaker, both well organized and with a great sense of humor. Carol is an accredited judge and member of the California Sierra Nevada Judging Center.

There will be a matching plant table from **Gold Country Orchids**.

Speaker's Dinner before the meeting at 5:30 PM at Sichuan Fortune House,
41 Woodsworth Lane, Pleasant Hill

DVOS is moving in 2015

Our current meeting place, the Contra Costa Water District Board room, will not be available to us next year due to earthquake retrofitting. Beginning in January, we will meet at the newly rebuilt Pleasant Hill Community Center in the McHale Room. Some of you will remember this as the location where we held our Fall Show for many years prior to the rebuild. In addition to changing our location, we will also be changing from the second Thursday to the third Thursday of each month.

The Community Center is located at 320 Civic Dr. in Pleasant Hill (near the Police station and the YMCA).
