February Meeting:

Thursday, Feb. 14 at 7:15 PM
at the Contra Costa Water District
1331 Concord Ave, Concord 94521

Refreshments will be supplied by:
Barbara Ungersma, Claire Conger
And other volunteers

Our speaker is Dennis Olivas

“Orchids 101”

Learn the basics about how to
take care of your orchids!

Dennis was born on the island of
Kauai, Hawaii. As a lad he helped
his mom grow her orchids and got
hooked. He joined the Future
Farmers of America and his project
was raising and selling orchids. In

1980 he moved to the mainland and swore off the orchid family; not for long,
as he was introduced to Rod McLellan's 'Acres of Orchids'. First, he filled
his home with upwards of 6,000 plants. Later he leased greenhouse space

for his collection. A glutton for punishment, he continued to add to his collection, overflowing the 3,000 sq. ft. greenhouse in Half Moon Bay. Currently his greenhouse (D&D Flowers) is in Daly City.

Dennis has been president of Peninsula Orchid Society, San Francisco Orchid Society, Diablo View Orchid Society, and the Santa Cruz Orchid Society. He is an accredited judge of the American Orchid Society. Dennis belongs to over 14 orchid societies and tries to assist them whenever possible.

Dennis will bring plants for our raffle table

Dinner with the Speaker at 5:30 pm is at [Aung MayLika](#), 1050 Contra Costa Blvd, Concord , CA 94523. Everyone is invited to attend and meet our speaker - [email](#) Eileen Jackson before Jan 9th at eileen.jackson@att.com to reserve a seat.

President's Message

Before the February meeting we will have our show and sale!

I encourage all of you to not only attend, but also bring flowers for the big display. There will be a special section for novices where you can earn ribbons and rosettes with your entrees!

If you have any divisions or extra plants, you can sell them at the members sale table. Be sure to see Liz for forms.

All of our thanks go to not only Eileen, who is the show chairman, but also to the many people who have been helping her on the way. Contact her if you want a job to do!

Marcia

Friday night set up is 6 to 9 and pizza and salad will be served!

IT'S SHOW TIME

Are you and your flowering beauties ready for our Orchid Show on February 9, 2019. This is where we can showcase our most prized orchids and win ribbons and rosettes for them. This is also the place where we can attract new members. Please wear your name tag so visitors know you are a member and may be able to answer their questions or at least direct them to someone who can. Even if you don't have a specific job please chat to any and every person that walks through the door. They are there to appreciate the orchids and if we can show that we are a fun and friendly organization they are more likely to want to join us.

If you are a member of [nextdoor.com](https://www.nextdoor.com) please make sure you post the show in the event section. I have been surprised to get people accepting my invitation even from the Vallejo area. Many people here don't like to cross bridges so to go to a foreign land like Concord is quite a journey. (It takes all of 20 minutes).

If you have any boxes we could use in the plant hotel please bring them also paper or plastic bags.

We would appreciate every one helping to do take down at 4.30pm. We need to leave the building as we found it so there will be plenty to do.

Most important is for you to have fun and get to know the other members. See you on February 8, at 6pm to set up.

Eileen Jackson . Show chair.

Here is our show flyer! Help get the word out!

SHOW SCHEDULE

1. The show is open to any person wishing to exhibit for ribbon judging.
2. All Plants to be displayed in competition shall have been grown by the exhibitor or in their possession for at least 90 days prior to the show.
3. All plants must be checked in by the entry clerks. To save time you may want to fill out the entry forms prior to arrival at the show. Entry forms will be available from the show chairperson at the meeting prior to the show. All entry cards should show the name of the plant or the parentage.
4. Judges may transfer plants to other classes at their discretion. The decision of the judges is final. For any questions not pertaining to judging, the decision of the show chairperson will govern.
5. For your protection and the protection of other growers, **no plant with visible insects, pests or disease will be accepted for entry.** Any plant(s) infected with insects or disease will be removed from the show. Please help prevent the spread of pests by entering only clean, healthy plants. Plants shall be in good, presentable condition.
6. No exhibitor's plant shall be removed before the end of the show, except when the life of the plant is in danger, and only with the permission of the show chairperson. All entries must be claimed promptly at 4:30 pm on the day of the show.
7. **All entries are to be received on Friday February 8 from 6.pm – 9pm. The day before the show**
8. No plant may be entered in more than one class except J 14.
9. Exhibitors are divided into the following classes:
 - A. NOVICE: An Exhibitor who has won four or less first place ribbons in a plant show.
 - B. ADVANCED: An Exhibitor who has won more than four first place ribbons in a show or is classified as Advanced in our monthly Show and Tell table.
10. Ribbons will be awarded for 1st, 2nd and 3rd place winners on individual plants. Rosettes will be awarded for best in Class for each level.
11. Best in Show will be awarded by a consensus of the ribbon judges.
12. The society will endeavor to care for all exhibits however the society can assume no responsibility for loss or injury. Containers should be inconspicuously labeled with the owner's name.

For members who wish to sell plants at the show, see Liz Charlton for the sales paperwork.
